To Whom It May Concern:

On April 19th we will be holding a benefit for the Burns Family as recipient of the ANTHEM Family Support Program. ANTHEM is a non-profit agency located in Dallas and has held a 501(c)3 since 2004. This program has been set up to help support the Burns Family. Susanne Burns was recently diagnosed with cancer but does not have insurance to cover her needs. She has been turned away from hospitals and doctor's offices as they are unwilling to treat an uninsured patient. Susanne has 2 young children and is married to Stacy Burns, who works for the City of Fate. Susanne and Stacy have applied for financial assistance but do not qualify. By making a donation you will contribute to helping support the medical bills for a very special person. The Burns family has always been the type to support others in need. They are active in their community and known by many through their community activities and support.

Our benefit is being held on April 19th at the Fate Community Center on Main St. in Fate, TX. We will be starting at 3:00 in the afternoon with several events and entertainment. We will have live music, bounce houses for the children, face painting, a live auction, raffles, games for both children and adults. We will also have food and drinks that have been donated by local restaurants. All money donated will go directly to the Burns Family.

Our goal is to raise as much money as possible through this event. You may mail your donation to Anthem c/o Erin Kincaid 1402 Corinth Ste. 247 Dallas, TX 75215. Otherwise we can collect your donation at this event. Please make your check payable to ANTHEM. Tax deduction forms will be mailed to you for your support of this worthy cause. Following the event we will send out a brief recap of the event to all of our sponsors and supporters.

In a time where over 50% of the American population is without health care, this is the time for us to stand together and support one of our own. Please show how big your heart really is by supporting this wonderful family and helping to keep their Mom alive.

Thank you in advance for your support. Please call us if you have any questions or comments about the Burns Benefit Event. We can be reached at 214-549-4035 or 469-261-3223.

Sincerely,

Stephanie Patterson – Burns Benefit Chair

Erin Kincaid – Burns Benefit Co-Chair and ANTHEM Representative
