**NOTICE TO APPLICANT** This permit is issued on the basis of information furnished in this application and on any submitted plans, and is subject to the provisions and requirements of the City of Fate Code or Ordinances and any other applicable ordinance. This permit is issued only for the purpose of allowing construction of a building or structure conforming to the codes and ordinances of the City, regardless of information and/or plans submitted.

**SCOPE OF PERMIT** For new buildings and for additions to existing buildings, this permit authorizes all structural, plumbing, electrical, mechanical, work to be performed in the construction of the building or structure at this address, if done at the same time of initial construction. No separate subcontractor permits are needed for those trades. However, the permit holder is required to use only subcontractors licensed, registered, or bonded by the City of Fate where such a requirement is applicable. If this permit is obtained for work other than new buildings and additions, separate permits must be obtained by all subcontractors.
