

To: Mayor and City Council

From: Michael Kovacs, City Manager

Date: March 13, 2019

Agenda Item & Caption: Discuss, consider, and take any necessary action regarding a board recognition policy.

Overview and Background:

Mayor Megyesi requested we consider a board recognition policy. Staff concurs this is a nice gesture to thank our board members and give them a pin.

Financial Considerations: We have ordered another 100 pins and the cost was less than \$300 split between the Mayor & Council and the City Manager department budgets. It will take about 26 pins for board members serving over 1 year to receive a pin. Funds were available within the current year budgets.
