## Health Permit Costs and Food Manager Registration Fee

### Health Permits fees:

**0-5,000 square feet - \$300 per year**

**>5,000 square feet - \$350 per year**

**Child Care Facilities - \$150 per year**

Health permits are effective for twelve months from the date issued. Each food handler at your establishment must be certified by completing an approved Texas Department of State Health Services health and sanitation training. Once the certification is completed, documentation for each food handler is required to be onsite for the Registered Sanitarian to verify during regularly scheduled inspections. The **Food Manger for the establishment must register** with the City of Fate and the fee is \$15 and is valid for the life of the Food Manager Certificate.
